

## Announcing a new Meet the Editor online webinar

Would you like tips and advice on getting your research published and maximising your impact?

The Royal Society of Chemistry, in association with the CzechELib and National Library of Technology, invites you to join us for our upcoming Meet the Editor webinar, featuring a panel discussion with RSC Editors.

Meet the Editor Online: CzechELib & National Library of Technology

**Tuesday, February 23, 2021, 10:00h – 11:30 CET**

[Register now for free](#)

### Featuring:

- **Prof. Russell Morris, University of St. Andrews, UK**  
Chair, *Dalton Transactions*
- **Prof. Paola Ceroni, University of Bologna, Italy**  
Associate Editor, *Dalton Transactions*
- **Prof. Miriam Unterlass, Vienna University of Technology, Austria**  
Associate Editor, *Journal of Materials Chemistry A*
- **Dr. Andrew Shore, Executive Editor**  
Royal Society of Chemistry

As well as sharing their top tips and advice, there will also be an opportunity for you to ask the RSC Editors your own questions about the publication process during the webinar.

We hope that you can join us. If you think this webinar would interest someone you know, please share this message.

Best wishes,

Royal Society of Chemistry
